### Notice of Change to Dividend Outlook for the Term Ending June 2011

MACROMILL, INC. (the "Company") announces a change to the outlook for dividends per share, passed at the meeting of the Board of Directors held on November 12, 2010. Details are as follows.

1. Reason for changing the outlook for dividends per share

As stated in the Notice on stock split, adoption of share unit system, and partial amendment to the Articles of Incorporation announced today, the Company has decided to split one share into 200 shares as of the base date of December 31, 2010.

Accordingly, the dividend per share for the fiscal year ending June 2011 will be modified from ¥1,800 to ¥9, which is one two-hundredth of the originally forecast amount. Please note, however, that there is effectively no change. There is also no change to the outlook for the dividend per share at the end of the second quarter as it will be calculated based on the number of shares before the stock split.
