### Notice of Change to Dividend Outlook for the Term Ending June 2012

MACROMILL, INC. (the “Company”) announces a change to the outlook for dividends per share, passed at the meeting of the Board of Directors held on February 10, 2012. Details are as follows.

#### 1. Reason for changing the outlook for dividends per share

It is the Company’s basic policy to continue to distribute steady dividends by taking into account the enhancement of retained earnings and other factors.

The Company initially forecast year-end dividends of ¥11 per share. However, in light of the fact that income for the first half of the fiscal year under review exceeded the targets and the progress against the full-year performance targets, it has decided to increase dividends per share by ¥2, to ¥13. As a result, annual dividends, including interim dividend payments of ¥10 per share, which were resolved today, are expected to be ¥23 per share, up ¥4 from the previous fiscal year.

#### 2. Details of modification

Previous outlook (August 3, 2011)		11.0	21.0
